Tips for pairing

Typically all lines derived from Doc Olena and Hollywood Dun It / Hollywood Jack 86 and working horses like King, Taris Catalyst are the most suitable because the U.S. statistics tell us that these mixes are "winning" with the line TopSail Cody. But even with not super pedigree mares his blood genetically improve the offspring. Statistically, he produce 90% of colored horse. A good investment. See Bf Gator and Beauty

Performance

Beautiful movements, attractive head, beautiful color with copper highlights from the long mane, Gator is the typical stallion that could satisfy a lot of both to give color to their foals that carry a "blood" of performance within each mare. The movement is its strong, agile, elegant ready to the orders began his showing career in the 2005 season in both Working Cowhorse and Reining. Used in various shows boost its beauty also placing in halter competition. Trained and shown by Ferruccio Badi.

Blood Line

Son of Mr. Cody Bee (Quarter Horse), which in turn is son of twice world champion reining TopSail CODY and MONIKA BINKENSTAIN, by Boss' Nowata Star with Mother of Okie Leo, and ON THE JAZZ (APHA Paint Horse) from C Note's Sawbuck reproducer of babies with great success both in performance, Western Pleasure and Hunter Under Saddle as well as in Halter and Super Solid breeding is with babies who competed in Western Pleasure, in Reining and Hunter Under Saddle has in his power, attention , body, agility, strength and gentleness of the true performance horse.

Notes:

his structure, his preparation and his mind lead us to affirm that Mr. Cody Gator GM continues the line set by his father Mr. Cody Bee.

Truthfully, very good athlete, the great structure, give to all his offsprings athleticism and balance.

Reining horse typically is a good horse in the work with cattle.

The horse has been approved to stud in 2004
